

# 2005 December Newsletter

Another year has come and gone and we find ourselves once again among the glows and warmth of the Holiday Season. Robert and I always find this time of year exhilarating as it encourages us to ponder over the wonderful memories of the year.

The 2005 Munroe Lake Lodge fishing season was again very successful. There were 123 Master Angler Trophy fish caught at the Main Lodge and 22 others that were landed at our Outposts. Congratulations to the following avid fishermen who will have their names engraved on our Munroe Lake Lodge plaque for all to see.

**Northern Pike** – measuring 51 inches – **Norm Adams** (FL)  
*(He also caught a 50 inch Northern Pike)*

**Lake Trout** – measuring 45 inches – **Andy Walther** (IN)

**Arctic Grayling** – measuring 19½ inches – **Travis Gardner** (MI) **and Norm Adams** (FL)

The Caribou hunting season was also very successful and exciting. The herd cooperated by migrating nearby our camp in groups of up to 100 at a time. The weather was also on our side by being cold enough to keep the bugs at bay. Many big Bulls were taken during the four hunts and we congratulate all of our hunters!

Robert and I will be participating in 8 upcoming SportShows.
